The Trustee may not recommend confirmation if you fail to comply with these directions. Moreover, the Trustee or other interested parties may seek to dismiss or convert your Chapter 13 case if you do not comply with these directions. Debtor(s) may object to any or all of the Trustee's directions by filing an appropriate objection with the Bankruptcy Court and providing notice to the Trustee. The mere filing of the objection, however, will not relieve Debtor(s) of the duty to comply with these directions.
